The Honorable Pierre S. duPont, IV
Governor of the State of Delaware

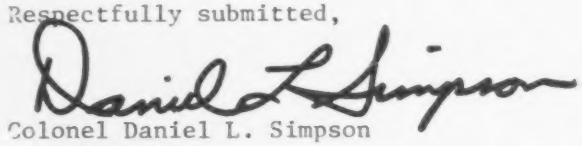
The Honorable James Decker
Secretary of the Department of Public Safety

Gentlemen:

Submitted herewith is Delaware's Annual Uniform Crime Report (UCR), as compiled by the State Bureau of Identification (SBI), for the year 1982.

Delaware's UCR program continues to be a successful project due to the outstanding cooperative efforts of our law enforcement community. This report is again a tribute to those who dedicate countless hours to the protection of life and property in "The First State."

Respectfully submitted,



Colonel Daniel L. Simpson
Superintendent

ACKNOWLEDGEMENTS

This 1982 Uniform Crime Report for Delaware was compiled from data submitted to the State Bureau of Identification by Delaware's forty-seven law enforcement agencies. The excellent cooperation afforded the State Bureau of Identification by the Chiefs of Police and agency heads is gratefully acknowledged.

UNIFORM CRIME REPORT
ANNUAL 1982

The Uniform Crime Report has been developed from a review of data as contributed to the State Bureau of Identification by Delaware's local, county, and state law enforcement agencies.

Offenses are reported as they become known to these agencies. Arrests are recorded according to type of offense by the agency in whose jurisdiction the crime occurred. Arrests for all criminal offenses are recorded. Traffic offenses are not recorded, with the exception of certain felonies involving the use of a motor vehicle (Title 21, Delaware Code).

"In October 1978, Arson was designated a UCR Part I Crime Index Offense by Congressional Mandate and was thereafter incorporated into the National UCR Program."[1] In Delaware's UCR Program, minor changes in computer software allowed us to extract a count of reported Arson Offenses on a monthly basis. A major software modification is required to include Arson as a Part I Offense. To this end, work is nearing completion on this task.

For the purpose of this report, Arson is shown graphically as a Part I Crime, however, due to the aforementioned software problems, Arson is counted as a Part II Offense in Section "B" of this report.

The "Crime Index," which is the total number of certain serious offenses that become known to law enforcement agencies, is employed to measure the general extent, fluctuation, distribution and nature of crime in our state. The eight Index Offenses are Murder, Non-Negligent Manslaughter, Negligent Manslaughter, Forcible Rape, Robbery, Aggravated Assualt, Burglary, Theft, Motor Vehicle Theft and Arson, referred to as a Part I Crimes in this report.

Uniform Crime Reports provide a statewide, as well as a nationwide, view of crime based on the submission of police statistics by city, county, and state law enforcement agencies. The extent of this annual report is a tribute to the cooperative and dedicated spirit of the law enforcement community in the State of Delaware.

* Juvenile arrests accounted for 24% of all robbery arrests.
* 32% of all arrests for thefts of motor vehicle were juveniles.
* Juveniles accounted for 29% of all theft apprehensions.

CLEARANCES

Law enforcement agencies clear a crime when they have identified the offender, have sufficient evidence to charge him, and actually take the offender into custody. The arrest of one person can clear several crimes or several persons may be arrested in the process of clearing one crime.

Out of 80,847 total crimes reported, 37,763 were cleared for a 47% clearance rate.

ARRESTS

Arrests are primarily a measure of police activity, however, arrest figures do not measure the number of persons taken into custody, since one person may be arrested several times during the year for the same or different offenses.

In 1982 law enforcement agencies in the State made an estimated 26,652 arrests for criminal acts. Arrests for persons eighteen years and over increased 7% while arrests for persons under eighteen decreased by 9% over 1981.

UNIFORM REPORTING DEFINITIONS FROM AGE, SEX, RACE REPORT

1. MURDER AND NON-NEGLIGENT MANSLAUGHTER

a. Murder is defined in the Uniform Crime Reporting Program as the willful killing of another. The classification of this offense, as in all of the other Crime Index offenses, is based solely on police investigation as opposed to the determination of a court, medical examiner, coroner, jury, or other judicial body.

b. Deaths caused by negligence, suicide, accident, or justifiable homicide are not included in the count for this offense classification. Attempts to murder or assaults to murder are scored as aggravated assaults and not as murder.

2. FORCIBLE RAPE

Forcible rape, as defined under this program, is the carnal knowledge of a female through the use of force or the threat of force. Assaults to commit forcible rape are also included; however, statutory rape (without force) is not counted in this category.

3. ROBBERY

Robbery is the stealing or taking anything of value from the care, custody, or control of a person, in his presence, by force or by threat of force. Assault to commit robbery and attempts are included. This is a violent crime and frequently results in injury to the victim.

4. AGGRAVATED ASSAULT

Aggravated Assault is the unlawful attack by one person upon another for the purpose of inflicting severe bodily injury usually accompanied by the use of a weapon or other means likely to produce death or serious bodily harm. Attempts are included since it is not necessary that an injury result when a gun, knife, or other weapon is used which could and probably would result in serious personal injury if the crime is successfully completed.

5. BURGLARY

The Uniform Crime Reporting Program defines burglary as the unlawful entry of a structure to commit a felony or theft. The use of force to gain entry is not required to classify the crime as a burglary. The offense of burglary in this program is broken down into three subclassifications: Forcible entry, unlawful entry where no force is used, and attempted forcible entry.

6. LARCENY-THEFT

Larceny-theft is the unlawful taking or stealing of property or articles without the use of force, violence, or fraud. It includes crimes such as shoplifting, pocket picking, purse-snatching, thefts from motor vehicles, thefts of motor vehicle parts and accessories, thefts from boats, thefts of navigational or boat parts, bicycle thefts, etc. In the Uniform Crime Reporting Program this crime category does not include embezzlement, "con" games, forgery, and worthless checks. Motor vehicle theft, of course, is excluded from this category for crime reporting purposes inasmuch as it is a separate Crime Index Offense.

7. MOTOR VEHICLE THEFT

In Uniform Crime Reporting, motor vehicle theft is defined as the unlawful taking or stealing of a motor vehicle, including attempts. This definition excludes taking for temporary use by those persons having lawful access to the vehicle.

8. OTHER ASSAULTS

All assaults other than aggravated are included in this category.

9. ARSON

Included are all arrests relating to arson or attempted arson. If personal injury results from the arson, the situation would be classified as aggravated assault. In the event a death results from arson, the incident would be classified as a murder.

10. **FORGERY AND COUNTERFEITING**

Included in this classification are all offenses dealing with or attempting to deal with the making, altering, or possessing, with intent to defraud, anything false in the semblance of that which is true.

11. **FRAUD**

Fraudulent conversion and obtaining money or property by false pretenses; includes bad checks, confidence games, etc., except forgeries and counterfeiting.

12. **EMBEZZLEMENT**
